

CKR Conference Presentations 2004

Below is a list of conference presentations (oral presentations, posters, free communications, etc) presented and to be presented by members of the Centre for Kidney Research in 2004.

13th Annual Conference. Australian Epidemiological Association. Adelaide, October 2004.

Codarini M, Williams G, Chan S, Craig J, Irwig L, Macaskill P, McCaskill M, FEVER Study Group. Outcomes for children with fever presenting to a Paediatric Emergency Department

13th Congress. International Pediatric Nephrology Association [IPNA]. Adelaide, SA, 29 Aug-2 Sept 2004

Caldwell P. Trials involving children. [Invited speaker]

Craig J. Randomised trials, systematic reviews, guidelines (and opinions!) - useful tools for evidence-based paediatric nephrology

Hodson EM. Evidence based approach to the management of steroid sensitive nephrotic syndrome in children [Invited lecture]

Fletcher JT, Hodson EM, Willis N and Craig JC. Population-Based Study of Nephrotic Syndrome: Incidence, Demographics, Clinical Presentation and Risk Factors. [Poster presentation]

Fletcher JT, Hodson EM, Willis N and Craig JC. Unexplained variation in the initial management of children with Nephrotic Syndrome. [Poster presentation]

Fletcher JT, Hodson EM, Willis N and Craig JC. Outcomes for children with nephrotic syndrome - A prospective population based cohort study. [Poster presentation]

Williams GJ, Macaskill P, Chan S, Craig JC. How accurate are the simple and quick tests to diagnose urinary tract infection in children? [Poster presentation]

20th International Congress. Transplantation Society. Vienna, Austria, 5-10 Sept 2004

Barclay PG, Kable K, Webster AC, Chapman JR, Craig JC. Monoclonal and polyclonal antibody induction therapy for pancreas and kidney/pancreas transplantation: A meta-analysis of randomized trials. *Transplantation*, July 27, 2004; 78(2): 339 [Poster presentation:P413]

Webster AC, Lee VWS, Powell J, Chapman JR, Craig JC. Tor-Inhibitors (sirolimus and everolimus) for primary immunosuppression of renal transplant recipients: A meta-analysis randomized trials. *Transplantation*, July 27, 2004; 78(2): 29 [Oral abstract:078]

Webster AC, Byrne B, McDonald S, Craig JC, Chapman JR. Incidence, risk and predictors of cancer after renal transplantation: An analysis of ANZDATA, The Australia and New Zealand Dialysis and Transplant Registry. *Transplantation*, July 27, 2004; 78(2): 35 [Oral abstract:091]

Royal Australian College of Physicians [RACP]. Annual Scientific Meeting. Canberra, 16-19 May 2004.

Codarini M, Williams G, Chan S, Craig J, Irwig L, Macaskill P, McCaskill M, FEVER Study Group. Outcomes for children with fever presenting to a Paediatric Emergency Department. [Poster presentation]

Fletcher JT, Hodson EM, Willis N and Craig JC. Nephrotic Syndrome in Australian Children. [Invited presentation]
