

## Centre for Kidney Research: Conference Presentations 2013

### American Society of Nephrology Kidney Week; 2013 Nov 5-10; Atlanta GA

Tong A, Chapman JR, Wong G, Craig JC. Living kidney donor assessment: the challenges, uncertainties and controversies among transplant nephrologists and surgeons.

Tong A, Cheung K, Nair S, Tamura MK, Craig JC, Winkelmayr WC. Patients' and caregivers' perspectives on palliative care in chronic kidney disease

### American Transplant Congress; 2013 May 18-22; Seattle, USA

Tong A, Chapman JR, Wong G, Josephson MA, Craig JC. Public awareness and attitudes to living organ donation

Ralph A, Chapman JR, Craig JC, Gillis J, Irving M, Tong A. Family experiences and perspectives on deceased organ and tissue donation for transplantation.

Howell M, Howard K, Wong G, Turner R, Craig JC, Tong A. Quality of life outcomes reported in randomized controlled trials of immunosuppressive drug regimens in kidney transplantation.

### Australian Physiotherapy Association Conference; 2013 Oct 17-20; Melbourne

Franco MRC, Tong A, Howard K, Sherrington C, Ferreira P, Ferreira M. Older people's perspectives on participation in exercise: a systematic review and thematic synthesis of qualitative literature

### Australian and New Zealand Society of Nephrology (ANZSN) 29th Annual Scientific Meeting; 2013 Sept 9-11; Brisbane, Qld

Farhim M, Hayen A, Coburn A, Dimeski G, Johnson D, Craig J, Horvath Ar, Campbell S, Hawley C. Short and long term biological variation of high sensitivity troponin T (HS-TnT) and N-terminal B-type natriuretic peptide (NT-PROBNP) in the stable dialysis population. *Nephrology* 2013; 18 Suppl 1:15

Hanson CS, Chadban S, Chapman JR, Wong G, Craig JC, Tong A. Patients' attitudes towards living kidney donation: systematic review and thematic synthesis of qualitative research. *Nephrology* 2013; 18 Suppl 1:48

Howell M, Wong G, Tong A, Rose J, Howard K. Preferred outcomes following immunosuppression among kidney transplant recipients. *Nephrology* 2013; 18 Suppl 1:49

Kotwal S, Webster A, Cass A, Gallagher M. Outcomes in rural versus urban end stage kidney disease in New South Wales using data linkage *Nephrology* 2013; 18 Suppl 1:28-29

Ladhani M, Smart N, Dieburg G, Titus T. Early versus late referral to specialist nephrology services – a systematic review. *Nephrology* 2013; 18 Suppl 1:31

Lim W, Lewis J, Wong G, Lim E, Thompson P, Prince R. Comparisons of estimated glomerular filtration rate by CKD-EPI equations with and without cystatin C for predicting cardiovascular mortality in elderly women. *Nephrology* 2013; 18 Suppl 1:27-28

Lopez-Varga PA, Tong A, Phoon RKS, Chadban SJ, Shen Y, Craig JC. *I don't like what I read about chronic kidney disease, I might as well just go get a gun and shoot myself*: Focus group study of patients with early stage chronic kidney disease. *Nephrology* 2013; 18 Suppl 1:22.

Masson P, Webster AW, Craig JC. Chronic Kidney Disease and risk of stroke: a systematic review and meta-analysis *Nephrology* 2013; 18 Suppl 1:31

Nguyen, Wai L, Wong G, Craig JC. The benefits and costs of an acceptable human leukocyte antigen mismatch program in Australia. *Nephrology* 2013; 18 Suppl 1:17

Nguyen HD, Turner R, Chapman J, Craig J, Lord S, Lim W, Howard K, Wong G. The benefits and costs of Luminex testing for preformed antibodies in renal transplantation. *Nephrology* 2013; 18 Suppl 1:44

Rogerson T, Pouldear G, Chen S, Craig J, Webster A. Latent tuberculosis testing and risk factor assessment in potential kidney transplant recipients. *Nephrology* 2013; 18 Suppl 1:54

Tong A, Chapman JR, Wong G, Josephson MA, Craig JC. Public awareness and attitudes to living organ donation: systematic review and integrative synthesis. *Nephrology* 2013; 18 Suppl 1:48

Tong A, Chapman JR, Wong G, Craig JC. Living kidney donor assessment: the challenges, uncertainties, and controversies among 110 transplant nephrologists and surgeons from 12 countries *Nephrology* 2013; 18 Suppl 1:43

Wang Y, Wang C, Cao Q, Yen Q, Zheng G, Alexander SI. Midkine antibodies prevent renal injury in adriamycin nephropathy. *Nephrology* 2013; 18 Suppl 1:59

Wang YM, Sawyer A, Jianhen Zhou J, Zhang GY, Wang Y, Hu M, Roberts V, Dwyer K, Harris DC, Alexander SI. Analysis of linkage of P2X7R to BALB/C associated kidney injury in the adriamycin murine model in F2 mice. *Nephrology* 2013; 18 Suppl 1:60

Webster A, Vaidic C, Chong C, Kelly P, Meagher N, Van Leeuwen M, Grulich A. Survival after cutaneous melanoma in kidney transplant recipients: a national population-based matched cohort study. *Nephrology* 2013; 18 Suppl 1:43

Wong MG, Pollock C, Cooper B, Branley P, Collins J, Craig J, Pilmore H, Kesselhut J, Harris D, Johnson DW. The association between glomerular filtration rate estimated by multiple methods at dialysis commencement and patient survival in the IDEAL Trial. *Nephrology* 2013; 18 Suppl 1:17

Zhou I, Wang Y, Harris DC, Medbury H, Williams H, Durkan AM, Alexander SI, Lee VWS, Tan TK, Hu M, Wang LD, Sawyer A. Adenine-induced chronic kidney disease is associated with arterial macrophage infiltration and medical vascular calcification. *Nephrology* 2013; 18 Suppl 1:52

Zhou I, Wang YM, Lee VWS, Zhang GY, Medbury H, Williams H, Wang Y, Harris DC, Alexander SI, Durkan AM. CX3CR1-DEC205 DC-targeted DNA vaccine induces specific antibodies and limits atherosclerosis and macrophage infiltration in the Apo-E knockout mouse model of atherosclerosis. *Nephrology* 2013; 18 Suppl 1:16.

### **16th Congress of the International Pediatric Nephrology Association (IPNA); 2013 Aug 30-Sept 3, Shanghai, China**

Armstrong KL, Nguyen HT, Nguyen LT, Van HL, Thoai LH, Thanh B, Hoang TD, Mac YT, Tong A, Hodson EM. A community development approach to maximizing quality of life for children and families living with Nephrotic Syndrome in Vietnam.

Armstrong KL, Nguyen HT, Nguyen LT, Van HL, Thoai LH, Thanh B, Hoang TD, Mac YT, Tong A, Hodson EM. Understanding the challenges facing children and families living with Nephrotic Syndrome in Vietnam: a survey of families. [Best Oral Presentation Award]

Chaturvedi S, **Craig JC**, Parekh R, Lipszyc D. Pharmacological Interventions for Hypertension in Children: A Systematic review and meta-analysis.

### **International Congress of Pediatrics; 27th Congress of International Pediatric Association 2013 Aug 25-29; Melbourne, Australia**

Joseph PD, Caldwell P, Tong A, Craig JC. A review of paediatric clinical trials of medicinal products.

Sinha Y, Craig JC, Sureshkumar, P, Hayen, A, Brien JE. Risk of bias in randomised trials of pharmacological interventions in children and adults. [Poster presentation]

### **International Health Economics Association. 9th World Congress; 2013 July 7-10; Sydney, Australia**

Howard K, Jan S, Rose J, Irving M, Wong G, Tong A, Craig JC, Chadban S, Allen R, Cass A. Factors that influence the decision to donate a family member's organs: results of a best-worst scaling study

Howell M, Wong G, Tong A, Rose J, Craig JC, Howard K. Applying a best-worst scale survey to establish preferences of kidney transplant recipients for outcomes associated with immunosuppression.

### **International Choice Modelling Conference; 2013 July 3-5; Sydney, Australia**

Howard K, Jan S, Rose J, Irving M, Wong G, Tong A, Craig JC, Chadban S, Allen R, Cass A. Community preferences for the allocation of donor organs for transplantation.

### **Transplantation Society of Australia and New Zealand (TSANZ); 31<sup>st</sup> Annual Scientific Meeting; 2013 June 26-28; Canberra, ACT**

Tong A, Chapman JR, Wong G, Craig JC. The attitudes and beliefs of transplant nephrologists and surgeons towards living kidney donor assessment: a semistructured interview study from 12 countries.

Tong A, Chapman JR, Wong G, Josephson MA, Craig JC. Public awareness and attitudes to living organ

donation: systematic review and integrative synthesis..

Ralph A, Chapman JR, Craig JC, Gillis J, Irving M, Tong A. Family experiences and perspectives on deceased organ and tissue donation for transplantation: thematic synthesis of qualitative studies.

Garcia M, Chapman JR, Shaw PJ, Gottlieb DJ, Ralph A, Craig JC, Tong A. The motivations and experiences of bone marrow and peripheral blood stem cell donors: thematic synthesis of qualitative studies.

Howell M, Wong G, Tong A, Rose J, Craig JC, Howard K. Applying a best-worst case scale survey to establish preference of kidney transplant recipients for outcomes associated with immunosuppression.

Luu L, Howell M, Tong A, Craig JC, Howard K, Wong G. Behavioural interventions for promoting sun protection and preventing skin cancer in solid organ transplantation.

Xiao D, Craig JC, Chapman JR, Dominguez-Gil B, Tong A, Wong G. Donor-derived cancer transmission in kidney transplantation - a systematic review.

Li A, Irving M, Jan S, Tong A, Howard K. Interventions to increase willingness for deceased organ donation: a systematic review

Irving M, Tong A, Jan S, Wong G, Cass A, Craig JC, Chadban S, Rose J, Howard K. Becoming an organ donor - what are the most influential factors for the community when considering deceased organ donation? A nominal group study.

Irving M, Tong A, Jan S, Wong G, Cass A, Craig JC, Chadban S, Rose J, Howard K. Community preferences on the allocation of deceased donor organs for transplantation: a nominal group study.

Howard K, Jan S, Rose J, Irving M, Wong G, Tong A, Craig JC, Chadban S, Allen RD, Cass A. Factors that influence the decision to donate a family member's organs: results of a best-worst case scaling study.

Howard K, Jan S, Rose J, Irving M, Wong G, Tong A, Craig JC, Chadban S, Allen RD, Cass A. Community preferences for the allocation of donor organs for transplant

Jan S, Cass A, Irving M, Tong A, Wong G, Craig JC, Rose J, Chadban S, Allen R. Community preferences for the allocation of donor organs for transplant.

## **International Society of Nephrology World Congress of Nephrology ; 2013 May 31-Jun 4; Hong Kong**

Tong A, Henning P, Wong G, McTaggart S, Mackie F, Carroll R, Craig JC. Experiences and perspectives of young people with advanced CKD.

Howell M, Wong G, Tong A, Turner R, Craig JC, Howard K. The frequency and quality of reporting of quality of life data in trials of immunosuppressive agents in kidney transplantation.

Masson P, Webster A, Buthie F, **Craig JC**, Higgins G. Are core outcomes well reported in randomized trials of kidney transplantations?

## **14th European Society for Developmental, Perinatal and Paediatric Pharmacology; 2013 June 4-7; Salzburg, Austria**

Sinha Y, Craig JC, Barclay, P, Brien JE. Evidence supporting formulary applications in Australian Paediatric Hospitals [Oral presentation]

Sinha Y, Craig, JC, Sureshkumar, P, Hayen, A, Brien JE. Risk of bias in randomised trials of pharmacological interventions in children and adults. [Poster presentation]

## **12th Congress of the International Society for Organ Donation and Procurement; 2013 Nov 21-24; Sydney, Australia**

Howard K, Jan S, Rose J, Irving M, Wong G, Tong A, Craig JC, Chadban S, Allen R, Cass A. Deciding to donate a family member's organs: what factors are most important to the community? Results of a best-worst scaling study.

Howard K, Jan S, Rose J, Irving M, Wong G, Tong A, Craig JC, Chadban S, Allen R, Cass A. Making difficult choices: community preferences for allocation of donor organs.

Howard K, Jan S, Rose J, Irving M, Wong G, Tong A, Craig JC, Chadban S, Allen R, Cass A. "I'd register, but I've never been asked..." Key factors influencing decisions about whether to register as an organ donor.

## **21st Cochrane Colloquium 2013 Sept 19-23; Quebec, Canada**

McInnes L, Tong A, Flemming K, Oliver S, **Craig JC**. Enhancing transparency in reporting the synthesis of qualitative research: the ENTREQ statement - discussion and debate [oral presentation]. 21<sup>st</sup> Cochrane Colloquium. Better Knowledge for Better Health. Abstract Book 19-23 Sept 2013; 142

Joseph D, Caldwell P, Craig J. Registered paediatric trials worldwide: frequency, location and focus [P2.009]. 21<sup>st</sup> Cochrane Colloquium. Better Knowledge for Better Health. Abstract Book 19-23 Sept 2013; 4
